Pornigami

July 15th, 2009 by [timbotron](#)

I recently saw Ethan Shoshan's "[Porn Star](#)" pornographic origami exhibit on [Notcot](#). I was impressed with the concept, but disappointed with the execution: Shoshan just made origami stars and the photo subjects were only men.

Eh.

I decided to improve on his concept and made **pornigami** this afternoon.

You'll have to click on the links to see the totally **NSFW** pornigami photos:

Crafty? Yes.

Juvenile? Perhaps.
